High School Diploma-Planning Declaration of Intent Form (Class of 2028)

Student's Name: _____

Parent: Please identify intentions for your student by placing a check in the appropriate box/circle below and signing below.

DIPLOMA SEEKING

Our family affirms our student's intentions to pursue a diploma from Heritage Academy, with graduation expected to occur in **May of** _____ (please indicate the year).

- Standard Diploma OR
 Advanced Diploma (*five honors courses required*)

We currently expect our student to proceed through high school in keeping with the following diploma plan:

- #1 #2 #3 #4 (*Please check one*)

UNDECIDED

Our family is unable to commit at this time to an intended course load for our high school student. Because of this, we recognize that our student's ability to fulfill diploma requirements may be compromised and we are willing to accept the possibility of that consequence.

NON-DIPLOMA SEEKING

Although our high school student will take courses at Heritage Academy during the course of his/her high school career, we do not intend at this time for our student to receive a diploma from Heritage Academy.

A+ PROGRAM AT HERITAGE

I have read the A+ Program handbook. My student intends to participate in this program at Heritage.

For Diploma Seeking Families:

- 1) Please identify any courses you will hope to transfer in by writing a "T" next to the course's name on the appropriate plan.
- 2) Please read and sign below...

We understand that this Declaration of Intent form communicates to Heritage Academy the schedule of courses we currently predict our student will take each year in order to fulfill Heritage Academy's diploma requirements. We understand that any decision to diverge from an approved plan may compromise or postpone our student's eligibility to receive a diploma from Heritage Academy.

We have read and understood the sections of Heritage Academy's Family Manual that pertain to residency requirements, finances, transfer credit, college-entrance exams, minimum grade point average requirements, and requirements for achieving the honors distinction. We understand that failure to comply with any of these policies could compromise or postpone our student's eligibility to receive a diploma from Heritage Academy.

We understand that should our intentions change regarding whether or not our student will receive a diploma, or should our student's anticipated yearly course-load at Heritage Academy change from what is indicated on the reverse side of this form, it is our responsibility to request and file a "Change of Intent" form.
